PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD FEBRUARY 3, 2012**

Introduction

This proxy statement and accompanying proxy are being furnished in connection with the solicitation of proxies by the board of directors (the "Board") of Beacon Enterprise Solutions Group, Inc., a Nevada corporation (the "Company"), to be voted at the Annual Meeting of Stockholders (the "Annual Meeting") and any adjournments thereof. In this proxy statement, references to the "Company," "Beacon" "we," "us," or "our" refer to Beacon Enterprise Solutions Group, Inc. For the purpose of this proxy statement, all amounts are in thousands except share and per share data. This proxy statement and accompanying proxy are first being mailed to stockholders on or about January 10, 2012.

Date, Time and Place

The Annual Meeting will be held on February 3, 2012 at 2:00 P.M., local time, at 9300 Shelbyville Road, Louisville, Kentucky 40222, for the purposes set forth in this proxy statement and the accompanying Notice of Annual Meeting.

Record Date and Voting Securities

The Board has fixed the record date (the "Record Date") for the Annual Meeting as the close of business on December 21, 2011. Only holders of record of shares of our common stock (the "Common Stock") and our preferred stock Series A, A-1, B, C-1, C-2 and C-3 (the "Preferred Stock") on the Record Date will be entitled to vote at the Annual Meeting and at any adjournment or postponement thereof. At the close of business on the Record Date, there were 37,631,896 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote. At the close of business on the Record Date there were an aggregate 341 shares of Series A and Series A-1 Preferred Stock, convertible into an aggregate of 454,666 shares of Common Stock, outstanding and entitled to vote. Each share of Series A and A-1 Preferred Stock is entitled to 1,333 votes. At the close of business on the Record Date there were 700 shares of Series B Preferred Stock, convertible into an aggregate of 777,777 shares of Common Stock, outstanding and entitled to vote. Each share of Series B Preferred Stock is entitled to 1,111 votes. At the close of business on the Record Date there were a total of 557 shares of Series C-1, C-2 and C-3 Preferred Stock, convertible into an aggregate of 1,114,000 shares of Common Stock, outstanding and entitled to vote. Each share of Series C-1, C-2 and C-3 Preferred Stock is entitled to 2,000 votes. There is no cumulative voting.

The presence either in person or by proxy of the holders of a majority in voting power of the combined outstanding shares of common and preferred stock entitled to vote as of the Record Date will constitute a quorum and is required for the transaction of business at the Annual Meeting. You can vote either in person at the Annual Meeting or by proxy whether or not you attend the Annual Meeting. To vote by proxy, you must fill out the enclosed proxy card, date and sign it, and return it in the enclosed postage-paid envelope or return it via e-mail pursuant to the instructions on the proxy card. If you want to vote in person at the Annual Meeting, and you hold your shares through a securities broker (that is, in street name), you must obtain a proxy from your bank, broker or other holder of record and bring that proxy to the Annual Meeting.

Voting of Proxies

Shares of stock represented by properly executed proxies received before the close of voting at the Annual Meeting will be voted as directed by the stockholders, unless revoked as described below. Under Nevada law, proxies marked as abstentions are not counted as votes cast, but will be considered present and entitled to vote to determine if a quorum exists. In addition, shares held in street name that have been designated by brokers on proxy cards as not voted will not be counted as votes cast, but will be considered present and entitled to vote to determine if a quorum exists.

If you return a properly executed proxy card without indicating your vote, your shares will be counted as present for purposes of establishing a quorum and your shares will be voted FOR election of the individuals nominated as directors and FOR ratification of the selection of Marcum LLP as the Company's independent registered public accounting firm for the current fiscal year.

If you are a street name stockholder (that is, you hold your stock through a securities broker), you must give instructions to your broker on how you would like your stock to be voted. If you do not provide any instructions, your broker can vote your stock only on "routine" items, as determined under the rules of the NYSE. For example, the ratification of Marcum LLP as the Company's independent registered public accountant for the fiscal year ending September 30, 2012 is considered a routine item and your broker may vote your stock for this proposal. The election of directors is no longer considered a routine item. As a result, you must provide specific instructions on director elections, if you want your vote to count. If you do not provide instructions to your broker as to how to vote on a non-routine item, your vote will be deemed a broker "non-vote". In determining whether a vote was cast for a proposal, broker "non-votes" will not be counted.

If any other matter is properly brought before the Annual Meeting, shares represented by proxies will be voted by the proxy holders as directed by a majority of the Board, or, in the absence of such a recommendation, in accordance with the judgment of the proxy holders.

Votes Required

Each of the proposals will be considered separately.

Item 1—Election of Directors

The directors shall be elected by a plurality of votes cast either in person or by proxy. Proxies cannot be voted for a greater number of persons than are named. Abstentions from voting, and broker non-votes, will have no effect on the election of directors.

Item 2—Ratification of the Appointment of the Independent Registered Public Accounting Firm

The proposal to ratify the appointment of Marcum LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2012 is approved if the number of shares voted in favor exceeds the number of shares voted against.

Other Matters

As of the date of this proxy statement, the Board knows of no matters that will be presented for consideration at the Annual Meeting other than those matters discussed in this proxy statement. If any other matters properly come before the Annual Meeting and call for a vote of stockholders, validly executed proxies in the enclosed form returned to us will be voted in accordance with the recommendation of the Board, or, in the absence of such a recommendation, in accordance with the judgment of the proxy holders.

Dissenter's Right of Appraisal

There are no rights of appraisal or similar rights of dissenters with respect to any of the scheduled matters to be acted upon at the Annual Meeting.

Revocability of Proxies

A stockholder who completes and returns the proxy that accompanies this proxy statement may revoke that proxy at any time before the closing of the polls at the Annual Meeting. A stockholder may revoke a proxy by filing a written notice of revocation with, or by delivering a duly executed proxy bearing a later date to, the Secretary of the Company at the Company's office address at 9300 Shelbyville Road, Suite 1020, Louisville, Kentucky 40222, any time before the Annual Meeting. Stockholders may also revoke proxies by delivering a duly executed proxy bearing a later date to the inspector of election at the Annual Meeting before the beginning of voting, or by attending the Annual Meeting and voting in person. You may attend the Annual Meeting even though you have executed a proxy, but your presence at the Annual Meeting will not automatically revoke your proxy.

Solicitation of Proxies

The original solicitation of proxies by mail may be supplemented by telephone and other means of communication and through personal solicitation by officers, directors and other employees of the Company, at no compensation. Proxy materials will also be distributed through brokers, custodians and other like parties to the beneficial owners of Common Stock or Preferred Stock, and the Company will reimburse such parties for their reasonable out-of-pocket and clerical expenses incurred in connection therewith. The Company will bear the costs of the Annual Meeting and of soliciting proxies, including the cost of printing and mailing this proxy statement and related materials.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE THREE NOMINEES FOR DIRECTOR OF THE COMPANY.

Board Leadership Structure and Role in Risk Oversight

Bruce Widener, our Chief Executive Officer (CEO), serves as Chairman of the Board of Directors. The Board believes this leadership structure provides the most efficient and effective leadership model for the Company by enhancing the Chairman and Chief Executive Officer's ability to provide clear insight and direction of business strategies and plans to both the Board and management. The Board regularly evaluates its leadership structure and currently believes the Company can most effectively execute its business strategies and plans if the Chairman is also a member of the management team. A single person, acting in the capacities of Chairman and Chief Executive Officer, promotes unity of vision and leadership, which allows for a single, clear focus for management to execute the company's business strategies and plans.

We currently do not have a designated lead independent director.

We take a comprehensive approach to risk management which is reflected in the reporting process by which our management provides timely and comprehensive information to the Board to support the Board's role in oversight, approval and decision-making. Our senior management is responsible for assessing and managing the company's various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies. The Board is responsible for overseeing management in the execution of its responsibilities and for assessing the Company's approach to risk management. The Board exercises these responsibilities periodically as part of its meetings. In addition, an overall review of risk is inherent in the Board's consideration of the Company's long-term strategies and in the transactions and other matters presented to the Board, including capital expenditures, acquisitions and divestitures, and financial matters.

Meetings of the Board of Directors

The Board met on four occasions during the year ended September 30, 2011. Each incumbent director attended at least 75% of the aggregate number of meetings of the Board and its committees on which such director served during his period of service. In addition, all members of the Board are expected to attend the Annual Meeting.

Committees of the Board of Directors

The Board has two standing committees: the Audit Committee and the Compensation Committee. The Board has affirmatively determined those committee members Messrs. Rhodes and Henderson are each considered an independent director. Mr. Widener is not independent due to his employment with the company as CEO. For purposes of making that determination, the Board used NASDAQ's Listing Rules, even though the Company is not currently listed on NASDAQ. The charter of each committee is available on our corporate website at www.askbeacon.com. The Company does not have a standing nominating committee or committee performing similar functions. Because of our small size, the board of directors believes that it is appropriate for the Company not to have such a committee. All the directors participate in the consideration of director nominees.

Role of Audit Committee.

Our board of directors has an Audit Committee, the purpose of which is to review and evaluate the results and scope of the audit and other services provided by our independent registered public accounting firm, as well as our accounting principles and system of internal accounting controls, and to review and approve any transactions between us and our directors, officers or significant shareholders. In fulfilling its responsibility, the Audit Committee pre-approves, subject to stockholder ratification, the selection of our independent registered public accounting firm. The Audit Committee also reviews our consolidated financial statements and the adequacy of our internal controls particularly given our risk environment. The Audit Committee meets at least quarterly with our management and our independent registered public accounting firm to review and discuss the results of audits or reviews of our consolidated financial statements, the evaluation of our internal controls and risk mitigation, and the overall quality of our financial reporting and our critical accounting policies. The Audit Committee meets separately, at least quarterly, with the independent registered public accounting firm. In addition, the Audit Committee oversees our existing procedures for the receipt, retention and handling of complaints related to auditing, accounting and internal control issues, including the confidential, anonymous submission by employees of concerns on questionable accounting and auditing matters. The Board has determined the Audit Committee to be comprised of John D. Rhodes III, J. Sherman Henderson III and Bruce Widener. The Audit Committee met four times during the fiscal year ended September 30, 2011.

Role of Compensation Committee.

The Compensation Committee of our Board has primary responsibility for assisting the Board in developing and evaluating potential candidates for executive positions, including the CEO, and for overseeing the development of executive succession plans. As part of this responsibility, the Compensation Committee oversees the design, development and implementation of the compensation program for the CEO and the other named executive officers. The Compensation Committee evaluates the performance of the CEO and determines CEO compensation in light of the goals and objectives of the compensation program.

Role of Executive Officers in Determining Compensation

The CEO and the Compensation Committee together assess the performance of the other named executives and determine their compensation, based on initial recommendations from the CEO. Our CEO assists the Compensation Committee in reaching compensation decisions with respect to the named executives other than the CEO. The other named executives do not play a role in their own compensation determination, other than discussing individual performance objectives with the CEO. Our CEO is not involved with any aspect of determining his own compensation. The Compensation Committee makes all compensation decisions for our CEO. Although our CEO assists the Compensation Committee in reaching compensation decisions with respect to the other named executive officers, the Compensation Committee has final discretionary authority to approve compensation of all named executive officers, including our CEO.

Policy Regarding Consideration of Candidates for Director

Stockholder Nominees

The Board of Directors of the Company will consider stockholder recommendations for director nominees at the 2012 Annual Meeting, insofar as stockholders comply with the requirements of the Company's bylaws; a copy of the relevant section of the bylaws may be obtained from the Company's Secretary at 9300 Shelbyville Road, Suite 1020, Louisville, Kentucky 40222.

Director Qualifications

In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees, multiple criteria are used, including the candidate's integrity, business acumen, age, experience, commitment, and diligence, the presence of any conflicts of interest and the ability of the candidate to act in the interests of all shareholders. We seek nominees with a broad diversity of experience, skills and backgrounds. We do not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. We believe that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. Nominees are not discriminated against on the basis of race, gender, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

The Board of Directors of the Company may also consider such other factors as it may deem are in the best interest of the Company and its stockholders. The manner in which the Board of Directors of the Company evaluates a potential nominee will not differ based on whether the nominee is recommended by a stockholder of the Company.

The Company does not pay a third party fee to assist in identifying and evaluating nominees, but the Company does not preclude the potential for using such services if needed as may be determined at the discretion of the Board of Directors of the Company.

Code of Ethics

Pursuant to Section 406 of the Sarbanes-Oxley Act of 2002, we have adopted a Code of Ethics for all employees including the Chief Executive Officer, Principal Financial Officer and persons performing similar functions. The Code of Ethics is posted on our website, www.askbeacon.com (under the caption Investor Relations/Management). We intend to satisfy the disclosure requirement regarding any amendment to, or waiver of, a provision of the Code of Ethics for the Chief Executive Officer, Principal Financial Officer and persons performing similar functions by posting such information on our website. We undertake to provide to any person a copy of this Code of Ethics upon request to our Corporate Secretary at our principal executive offices.

PROPOSAL 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Pursuant to prior authorization of the Company's Board, the Audit Committee has appointed the firm of Marcum LLP to serve as the independent public accountants to audit the financial statements of the Company for the year ending September 30, 2012. Accordingly, a resolution will be presented at the Annual Meeting to ratify the appointment of Marcum LLP. If the stockholders fail to ratify the appointment of Marcum LLP, the Audit Committee will reconsider such appointment. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its stockholders. Representatives of Marcum LLP are expected to be present at the Annual Meeting via teleconference, will have the opportunity to make a prepared statement, and will be available to respond to questions, as appropriate.

DIRECTOR COMPENSATION

Compensation for Non-Management Directors. Our directors have agreed to serve on our Board based on their existing equity position in Beacon. John D. Rhodes III was issued 300,000 Warrants to purchase Beacon common stock in exchange for his service on the board by unanimous vote in a Board Meeting on March 26, 2008. On January 9, 2009, the Compensation Committee resolved to pay directors \$1 per meetings via telephone and \$3 per meeting in person but the directors unanimously agreed to waive this compensation until such time as the company achieved positive net income.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On August 17, 2010 we entered into a long term line of credit facility with one of our directors for \$4,000, the facility has an annual interest rate of 7.73% on any outstanding balance and a facility fee of the greater of \$40 or 1% of the unused balance. Additionally, 15,000 warrants, with a five year term at \$1.00 per share, per month will be paid for each month the facility is outstanding. As of September 30, 2011 and 2010, we have an outstanding balance of \$0 and \$630, respectively leaving an unused amount of \$4,000 and \$3,370, which is presented as a non-current liability in our consolidated balance sheet, as terms of the facility call for an 18 month maturity date. As of September 30, 2011, we have issued a total of 165,000 of the aforementioned warrants. Using the Black Scholes prices model, we determined the fair value of the warrants and recorded as other expense of \$71 for the year ended September 30, 2011.

On August 12, 2011, the Company modified the agreement, extending the term another 24 months, and reducing the credit facility to \$2,000, with an annual interest rate of 7.75% on any outstanding balance. For any outstanding balance at month end under the credit facility, the director will receive warrant coverage of 15% to purchase common shares of the Company at an exercise price of the then current stock price.

Additionally under the revised agreement, during the next 24 months the Company may require the director to purchase shares of Common Stock at the then current stock price. The aggregate purchase price of all shares purchased shall not exceed \$2,000. For the dollar amount of Common Stock purchased, the director will receive warrant coverage of 15% to purchase shares of Common stock of the Company at an exercise price of the then current stock price. Finally, the Company's Chief Executive Officer (CEO) agreed that, upon the exercise of the share purchase commitment in whole or in part by the Company, the director shall have the right to purchase up to 1,200,000 shares of Common Stock from the CEO for a purchase price of \$0.01 per share.

On October 26, 2011, the Company decided to terminate this long term line of credit facility and associated put right.

On November 15, 2007, we issued \$100 of convertible notes payable to one of our directors which is presented as a current liability in our consolidated balance sheet as of September 30, 2011 and 2010, respectively.

Under a marketing agreement with a company owned by the wife of Beacon's former president, we provided procurement and installation services as a subcontractor. As of September 30, 2011 and 2010 we earned net sales of approximately \$0 and \$323 for procurement and installation services provided under this marketing agreement, of which \$0 and \$198 is recorded as accounts receivable in the accompanying consolidated balance sheets.

The Company has obtained insurance through an agency owned by one of its founding stockholders/directors. Insurance expense of \$148 and \$150 was paid to the agency for the years ended September 30, 2011 and 2010, respectively. For the year ended September 30, 2011, in connection with a construction bond the Company obtained through an agency owned by one of its founding stockholders/directors, 33,120 warrants were issued. Using the Black Scholes pricing model, we determined the fair value of the warrants and recorded as other expense of \$15.

AUDIT COMMITTEE REPORT

The Audit Committee of our Board of Directors is comprised of two directors who are independent, are financially literate and have financial expertise within the meaning of the NASDAQ listing standards regarding audit committees. In accordance with its written charter, which was approved and adopted in its current form by our Board of Directors on March 26, 2008, the Audit Committee assists our Board of Directors in oversight of the quality and integrity of the accounting, auditing and financial reporting practices of Beacon. In addition, the Audit Committee has the authority to select our independent registered public accounting firm.

Beacon has no "audit committee financial expert" and is currently considering whether to retain a financial expert. However, the board of directors believes that each audit committee member has sufficient knowledge in financial and auditing matters to serve on the committee.

Management has primary responsibility for Beacon's financial statements and the overall reporting process, including Beacon's system of internal controls. Marcum LLP, our independent registered public accounting firm, audits the annual consolidated financial statements prepared by management and expresses an opinion on whether those statements fairly present in all material respects our financial position, results of operations, and cash flows in conformity with accounting principles generally accepted in the United States of America. The Audit Committee has reviewed our audited consolidated financial statements for the twelve months ended September 30, 2011 and discussed them with both management and Marcum LLP.

Management is responsible for establishing, assessing and reporting on Beacon's system of internal control over financial reporting. The Audit Committee met with management and Marcum LLP to review and discuss management's assessment of the effectiveness of Beacon's internal controls over financial reporting.

The Audit Committee has also discussed with Marcum LLP the matters required to be discussed by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, issued by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee has received and reviewed the written disclosures and the letter from Marcum LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding Marcum LLP's communications with the Audit Committee concerning independence, and has discussed with Marcum LLP its independence from Beacon. In addition, the Audit Committee has considered whether the provision of the non-audit services provided by Marcum LLP is compatible with maintaining Marcum LLP's independence.

Based upon this review, the Audit Committee recommended to the full Board of Directors that our audited consolidated financial statements be included in Beacon's Annual Report on Form 10-K for the year ended September 30, 2011 and filed with the SEC.

All Members of the Audit Committee concur in this report.

AUDIT COMMITTEE:

J. Sherman Henderson III
