**Forward Looking Statements**

This letter may contain "forward-looking statements" within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. Generally, forward-looking statements can be identified by the use of forward-looking terminology such as "plan," "believe," "will," "intends," "expects," "anticipate" and may

include statements regarding matters that involve known or unknown risks, uncertainties and other factors that may cause our results, levels of activity, performance or achievements to differ materially from results expressed or implied by this release. Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are based only on our current beliefs, expectations, and assumptions regarding the outcome of pending litigation, the future of our business, future plans and strategies, projections, anticipated events, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of our control. These risk factors and others are included from time to time in documents we file with the Securities and Exchange Commission, including but not limited to, our Form 10-Ks, Form 10-Qs and Form 8-Ks. Our actual results and financial condition may differ materially from those indicated in the forward-looking statements. Accordingly, you should not place undue reliance on these forward-looking statements. Any forward-looking statement made by us in this letter is based only on information currently available to us and speaks only as of the date on which it is made. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future developments or otherwise.
